Double Degree in Internet Engineering
Selection of candidates

For the Academic Year 2015/16, Politecnico di Bari will select up to ten students that wish to attend the Double Degree program in:

- 1) Internet Engineering and Laurea Magistrale in Ingegneria Informatica
- 2) Internet Engineering and Laurea Magistrale in Ingegneria delle Telecomunicazioni.

The commission in charge of the selection procedure will be appointed by the Director of DEI.

Mandatory requirements for applicants are:

- to be enrolled at "Corso di Laurea Magistrale in Ingegneria Informatica" or "Corso di Laurea Magistrale in Ingegneria delle Telecomunicazioni"
- or
- to be enrolled at "Corso di Laurea in Ingegneria Informatica e dell'Automazione" or "Corso di Laurea in Ingegneria Elettronica e delle Telecomunicazioni";
 - to have an average weighted rank not less than 24/30;
 - to have passed at least 150 ECTS.

List of selected candidates is done by summing:

- the graduation rank achieved with the Bachelor degree, expressed in /110, (for graduate applicants);
- the average weighted examination ranks, expressed in /30, multiplied by 4 (for undergraduate applicants);
- evaluation of the Curriculum Vitae et Studiorum (up to 6 points).

Important dates

- Within September 10th, applicants should submit the filled in and signed annex to the Registry Office (Ufficio Protocollo) of the DEI Department:
 - by hand delivery, % Mrs. Consiglia Leogrande, Department DEI, 1st floor, or
 - by registered mail, at the following address:
Dipartimento di Ingegneria Elettrica e dell'Informazione - Politecnico di Bari - Via E. Orabona, 4 - I-70125 Bari - Italy.
- Applications received by the Department after September 10th will no be taken into consideration.
- Within the 20th of September, the list of admissible candidates will be published on the website of Politecnico di Bari, www.poliba.it.
 - Within one month from the publication of the list of th sected candidates, applicants should present a personalized training program, according to the annex of the Double Degree agreement and to the current teaching programs at "Politecnico di Bari" and University of Nice Sophia Antipolis. These programs should encompass at

least one semester plus a co-tutored thesis to be spent at the receiving institution. These programs will be validated first by "Dipartimento di ingegneria Elettrica e dell'Informazione - (DEI)" and then by the University of Nice Sophia Antipolis (France).
